

Have you ever wanted to build a game?

Tell stories you are interested in?

*Express big ideas in the way only
interactive games can?*

Create entire worlds for others to explore?

*Then this **Game Jam** is for you.*

*Whether you are a STEM or humanities
enthusiast, this event has a place for you.*

*In groups of 1-4, you have 1 week **from May 16th**
to May 23rd to create an original game
responding to the theme of **Wonder**.*

***Scan to register and obtain the
Game Jam resources***

(no registration deadline, joining late is supported)

Open to G8-12 across BIBS·C network
